Width 800mm
Height 144mm
Weight 12-21kgs

Stacking: Maximum 1 pallet high. Customers should make internal trials to determine the viability of stacking and transportation once filled.

Quality: Deviations in the product specifications of 0.025% (i.e. 25 items per 100,000) are considered acceptable in the industry and therefore cannot be construed as defect. Works orders including full traceability information will be held for a minimum period of twelve months from the date of manufacture.

The material complies with the material and articles in contact with food regulation (EC)1935/2004, food contact plastics regulation (EU) 10/2011 and regulation (EC) 2023/2006 good manufacturing practices. The user of the product is responsible for ensuring that the finished food packaging complies with the applicable migration limits in the food itself under actual conditions of use.
